Qualitative comparisons and real-robot cases

AIMI

(a) Matched comparison

Same start, instruction and action budget

Target initially hidden

Initial view	AIMI	Fixed decision
Shared start	End of trial	End of trial

Target obscured by fingers

Initial view	AIMI	Fixed decision
Shared start	End of trial	End of trial

(b) Real-world target presentation

Cube	Die	Ball	Duck

Planned comparison and real-robot image slots. Outcomes remain unfilled until matched trials and photos are available.
